Birsa Munda DAV Residential Public School, Bundu, Ranchi is a dream school project fully sponsored by department of Welfare, Jharkhand. The medium of instruction is English and it follows the CBSE curriculum and this is what stands this school out of the rest, as run by department of Welfare in the state. The school nurtures the young minds, focusing on the holistic development and bringing for their moral, human and spiritual values so that they might develop confidence and character with a deep rooted passion in pursuit of excellence.

Moreover, the school has been grooming its students in such a way that they can encounter the competitive atmosphere at ease.

Other than academics, sports, cultural and co-curricular activities provide them platform to develop their latent talents. DAV Management has done a commendable job by agreeing to educate the tribal children of Jharkhand on pattern of English medium public school.

I hope with a set of committed and qualified teachers as well as dedicated staff the school will scale new heights of success.
